This wonderfully appointed 1,600 sq. ft home with two separate master suites and bathrooms includes an additional 900 sq. ft. of covered lanais, all situated on 2.93 tastefully landscaped tropical acres overlooking incredible views of the Kalihiwai River Valley and mountains behind Hanalei. A separate yoga/exercise room with a full bath provides the perfect retreat to keep in shape. Or swim in the exquisite salt water pool surrounded by a tile deck. Or just relax in the adjoining Jacuzzi and enjoy the beauty that surrounds this great home. While peace and quiet abound here, this open, yet secluded, Island style home is the perfect place for entertaining your guests who will marvel at the screened in lanai that is open to the world of extraordinary and hard to believe views. Adjacent to a comfortable living room, is an open kitchen which includes new appliances and new granite counter tops for your cooking and entertaining pleasure. Move to the separate T.V room just off the living room or work on your computer in the adjacent "office". This is the perfect home for an active couple who loves to entertain or just have a heavenly sanctuary of beauty, peace and quiet. This outstanding property in the heart of the North Shore of Kauai has it all. I would love to show you this special property in person.
